- 4:00 Adjourn

SPEAKERS

Robert J. Gorlin, D.D.S., M.S., Regents' Professor Emeritus of Oral Pathology, School of Dentistry, University of Minnesota. Dr. Gorlin has been at the University of Minnesota since 1956. In addition to his duties in Dentistry, he has maintained joint appointments in the Departments of Laboratory Medicine and Pathology, Dermatology, Pediatrics, Obstetrics and Gynecology, and Otolaryngology, School of Medicine, University of Minnesota. He has received numerous professional awards throughout his career including the Frederick Birnberg Research Award from Columbia University in 1987, an honorary doctorate in science from the University of Athens in 1992 and Italy's 1997 International Prize in Medical Genetics.

Rajaram Gopalakrishnan, B.D.S., Ph.D., Assistant Professor, Division of Oral and Maxillofacial Pathology, University of Minnesota; Fellow, American Academy of Oral and Maxillofacial Pathology; and Diplomate, The American Board of Oral and Maxillofacial Pathology. Dr. Gopalakrishnan has an active research lab studying regulation of transcriptional factors responsible for bone formation and mineralization.

John G. Koutlas, D.D.S., M.S., Associate Professor, Division of Oral and Maxillofacial Pathology, Department of Oral Sciences, School of Dentistry, University of Minnesota; Fellow, of the American Academy of Oral and Maxillofacial Pathology; and Diplomate, of The American Board of Oral and Maxillofacial Pathology. Dr. Koutlas is also a Consultant for the VA Medical Center in Minneapolis, Minnesota.

Michael D. Rohrer, D.D.S., M.S., Professor and Director, Division of Oral & Maxillofacial Pathology, Department of Oral Sciences, School of Dentistry, University of Minnesota. Dr. Rohrer was on the faculty of the University of Oklahoma for 22 years where he was named Presidential Professor. At the University of Minnesota he maintains an active practice of surgical and clinical oral and maxillofacial pathology in addition to his teaching, research and administrative responsibilities. Dr. Rohrer has received the outstanding teacher award by four graduating classes at Oklahoma and three classes at Minnesota. He is Immediate Past President of The American Board of Oral and Maxillofacial Pathology, Diplomate of The American Board of Oral Pathology; and a Fellow of American Academy of Oral Pathology.
