GUEST CLINICIANS

Paul C. Belvedere, D.D.S., Adjunct Professor, School of Dentistry, University of Minnesota. Dr. Belvedere is an internationally renowned teacher, lecturer, author, inventor and innovator in composite dentistry. He maintains a full-time general and cosmetic dental practice in Edina, Minnesota and has been a featured speaker for the ADA, ASDA, AACD, AGD, state and local dental societies, dental schools and universities worldwide. Dr. Belvedere is considered the "father of posterior composites" by his peers. He has authored numerous articles in the United States and abroad, a chapter in Dental Clinics of North America, and is a consultant to many dental manufacturers. He is also the *Co-Director of the Postgraduate Programs in Esthetic Dentistry at the University of Minnesota*; and is a faculty member of many other contemporary postgraduate esthetic programs.

Fred McIntyre, D.D.S., M.S., Clinical Professor of Restorative Dentistry at SUNY Buffalo; Diplomate, American Board of Prosthodontics. Dr. McIntyre is Director of the Esthetic Dentistry Education Center and Clinical Coordinator of Continuing Education Programs in Esthetic Dentistry. Dr. McIntyre has been active in research, and has published several articles in refereed publications related to esthetics and has lectured on the subject of esthetics at all levels of dental education. He is a consultant for Ivoclar North America Inc. and Buffalo VA Hospital. Dr. McIntyre maintains a private practice within the University of Dental Associates at SUNY Buffalo.

Paul S. Olin, D.D.S., M.S., Associate Dean, Clinical Systems; Director, Dental Implant Program; Associate Professor, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota, School of Dentistry. In addition to his administrative and teaching responsibilities, Dr. Olin practices part-time in the faculty practice at the School of Dentistry. He has extensive clinical experience with porcelain veneers and several other areas of esthetic dentistry.
