SPEAKERS

Paul S. Belvedere, D.D.S., Adjunct Professor, School of Dentistry, University of Minnesota. Dr. Belvedere is an internationally renowned teacher, author, inventor and innovator in composite dentistry. He maintains a full-time general and cosmetic dental practice in Edina, Minnesota. He has been a featured speaker for the ADA, ASDA, AACD, AGD as well as for several other dental schools worldwide. Dr. Belvedere has written a chapter in Dental Clinics of North America and is a consultant to several dental manufacturers.

John Graeber, D.D.S., Certified Laser Educator; full-time general and cosmetic practitioner in East Hanover, New Jersey who is recognized nationally for his expertise in lasers in dentistry. Dr. Graeber has written several articles on the subject of high-tech dentistry and has provided lecture and hands-on laser courses for many dental schools and for the major dental meetings around the country.

Fred McIntyre, D.D.S., M.S., Clinical Associate Professor of Restorative Dentistry at SUNY Buffalo; Diplomate, American Board of Prosthodontics. Dr. McIntyre is also Director of the Esthetic Dentistry Education Center: Director of Prosthodontics and *Clinical Coordinator of Continuing Education Programs in Esthetic Dentistry*. Dr. McIntyre has been active in research and has received five research grants. He has published several articles in refereed publications related to esthetics and has lectures on the

subject of esthetics at all levels of dental education. In addition, he has presented invited lectures at local, national; and international meetings. He is a consultant for Ivoclar North America Inc., Medical Quality Foundation, Intra Corp, Accumed and PVS Jelenko. Dr. McIntyre maintains a private practice within the University of Dental Associates at SUNY Buffalo.

Paul Olin, D.D.S., M.S., Associate Dean, Clinical Systems; Director, Dental Implant Program; Associate Professor, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota, School of Dentistry. In addition to his administrative and teaching responsibilities, Dr. Olin practices part—time in the faculty practice at the School of Dentistry. He has extensive clinical and teaching experience with porcelain veneers and with other areas of esthetic dentistry. *Dr. Olin is the Director of the Postgraduate Programs in Esthetic Dentistry: Levels -III at the University of Minnesota School of Dentistry.*
