

Continuing Dental Education
School of Dentistry
University of Minnesota

Postgraduate Program in Contemporary Esthetic Dentistry: Level I

Goal: to provide a University-based postgraduate program in esthetic dentistry which will prepare practicing dentists to select and use contemporary materials and techniques based on scientific evidence. Dentists will be exposed to a diversity of philosophies, materials and laboratory experiences which will give them the knowledge and skills to incorporate the latest materials and techniques into practice.

Credits: 100 hours of postgraduate instruction for a total of 5 credits. (60 hours of didactic= 4 credits; 40 hours of laboratory= 1.5 credits.)

Award: You will receive a certificate of completion from the University of Minnesota after successful completion of the Level I program and the written examination. Completion of Level I is a prerequisite for the Level II and III programs.

WEEKEND FOUR: Specialties/Practice Management

Objectives: The graduate will be able to:

1. identify methods and materials used to create esthetic partial and full dentures.
2. identify best implant options when treating patients in the esthetic zone.
3. determine when crown lengthening will improve the esthetic appearance.
4. incorporate the correcting of gingival assymetries into the overall esthetic treatment plan.
5. determine how to manage an esthetic oriented dental practice.
6. integrate office systems which schedule and support a growing esthetic practice.
7. establish teamwork systems which promote a patient-centered esthetic dental practice.

4:45 *Questions and answers* **Dr. Lauciello**

5:00 Dinner (included)

6:00 **Contemporary Implants** **Dr. Paul Olin**

Implants in the esthetic zone- treatment planning

Internal vs. external connections

Surgical Guides

Surfaces and Systems

7:00 Refreshment break

4-160 Moos HS Tower
Laboratory

7:15 **Implant Workshop** **Dr. Olin**

- Parts and pieces

- Soft tissue models

- Surgical guides

9:00 Adjourn

Saturday, April 8, 2006

5-125 Moos HS Tower
Lecture Room

8:00 Final Examination **Dr. Dan Ward**

9:30 Refreshment break

9:45 **Perioesthetics** *Dr. Preston Miller*

Esthetic crown lengthening

Root coverage grafting for:

- root abrasion (or)
- following removal of Class V restorations

12:00 Lunch (included)

1:00 Missing interdental papilla *Dr. Miller*

Periodontally accelerated osteogenic orthodontics

Questions and answers about perioesthetics *Dr. Miller*

3:30 Refreshment break

3:45 Examination Review *Dr. Ward*

5:00 Adjourn

Radisson Hotel Metrodome

5:15 Graduation Awards & Reception

9:00 Adjourn

Sunday, April 9, 2006

5-125 Moos HS Tower
Lecture Room

8:00 **Practice Management: Building your Esthetic Practice** *Debra Engelhardt-Nash*

(Open to the entire dental team)

Developing the Demand

GUEST SPEAKERS

Debra Engelhardt-Nash, Management Consultant and Seminar leader based in the Southeastern region of the United States. She has worked in hundreds of dental practices and has presented workshops nationally and internationally for numerous study groups and organizations. She has also written articles for numerous dental publications. Ms. Engelhardt-Nash is a Contributing Editor for *Contemporary esthetics and Restorative Practice Magazine*. In addition, she has presented several programs and workshops for the American Dental Association. Debra is a founding member and has served two terms as president of the National Academy of Dental Management Consultants where she received their first Charles Kidd Meritorious Service Award.

Frank Lauciello, D.D.S., graduated from the State University of New York at Buffalo (SUNY) School of Dental Medicine in 1969 and completed his prosthodontic training at Buffalo VA Medical Center. He is an Associate Professor in the Restorative Department at SUNY at Buffalo and was Director of the Veterans Administration Advanced Prosthodontic Program from 1973 to 1998. He is presently Director of Removable Prosthodontics for Ivoclar Vivadent. Dr Lauciello is a Diplomate of the American Board of Prosthodontics and has authored over 25 articles including several chapters in textbooks. He is actively involved in dental research and has served as Co-Chair of the Dental Implant Clinical Research Group.

Patrick M. Lloyd, D.D.S., M.S., Dean of the School of Dentistry at the University of Minnesota. He is a graduate of Marquette University School of Dentistry, and earned his Certificate in Prosthodontics from the VA Medical Center in Milwaukee, Wisconsin, as well as a Master of Science from the Graduate School at Marquette University. After completing his specialty training, Dr. Lloyd directed a fellowship in geriatric dentistry at the Milwaukee VA Medical Center. In 1987 he was appointed as National Coordinator for Geriatric Dental Programs for the Department of Veterans Affairs. In 1992 he joined the faculty at Marquette University, where he was Director of the Special Patient Care Clinic and the Wisconsin Geriatric Education Center. He was Chair of the Department of Family Dentistry at the University of Iowa from 1996 to 2004. For ten years, beginning in 1993, he was Editor-in-Chief of the *Journal of Prosthodontics*, the official journal of the American College of Prosthodontists. Dr. Lloyd is a Diplomate of the American Board of Prosthodontics and a Fellow of the American College of Prosthodontists and the Gerontological Society of America. His professional interests are in the area of geriatric dentistry.

Preston D. Miller, Jr. D.D.S., Post-Certificate in Periodontics, Clinical Professor, University of Tennessee College of Dentistry. Dr. Miller currently holds visiting faculty appointments at four dental schools and serves as a consultant to the Pritikin Longevity Center. He has been a driving force in the development of periodontal plastic surgery and is recognized as a leading authority in this field. Dr. Miller was the first to present the free soft tissue autograft (free gingival graft) as a predictable procedure for obtaining root coverage, and he introduced a new classification of recession to the literature. He has published 28 scientific papers, contributed to 4 textbooks, and has lectured to over 250 dental societies both nationally and internationally. In 1993, he was named the Outstanding Alumnus of his alma mater, the Medical College of Virginia. In 1999, he received the Master Clinician Award from the American Academy of Periodontology. In 2003, he was voted the Tennessee Dentist of the Year. Dr. Miller served 6 years as a Trustee for the American Academy of Periodontology ; he is currently the President-Elect.

Postgraduate Program in Esthetic Dentistry: Level I
April 7-9, 2006
Program, page 7

Paul Olin, D.D.S., M.S., Associate Dean, Clinical Systems; Director, Dental Implant Program; Associate Professor, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota, School of Dentistry. In addition to his administrative and teaching responsibilities, Dr. Olin practices part—time in the faculty practice at the School of Dentistry. He has extensive clinical and teaching experience with porcelain veneers and with other areas of esthetic dentistry. *Dr. Olin is the Director of the Postgraduate Programs in Esthetic Dentistry: Levels I-III at the University of Minnesota School of Dentistry.*

Daniel H. Ward, D.D.S., Assistant Clinical Professor, The Ohio State University, and private practitioner, Columbus, Ohio. Dr. Ward lectures for the Postgraduate Programs in Esthetic Dentistry at SUNY Buffalo and at the University of Minnesota. He is the Examiner for all of the PGED programs. He is a fellow of the American Society for Dental Aesthetics and serves as editor of the *ASDA Journal*. He has published numerous articles and lectured worldwide.

The program is funded in part by an unrestricted educational grant from 3M ESPE.
