Dental Implants and Esthetic Dentistry

Session II  
Friday-Sunday  
April 18-20, 2008

PRELIMINARY PROGRAM

6-410 Moos Health Science Tower

*Friday, April 18, 2008*

- |       |   |                   |
|-------|---|-------------------|
| 8:00  | Review of Patient Outcomes from first weekend   | Drs. Swift & Olin |
| 8:45  | Principles, techniques and treatment planning   | Dr. Olin          |
|       | <ul style="list-style-type: none"><li>• implant supported removable partial dentures</li><li>• mandibular overdentures</li><li>• CAD CAM bars</li></ul> |                   |
| 10:00 | Refreshment break   |                   |
| 10:15 | <b>Surgical Considerations for the Completely Edentulous Patient</b>  | Dr. Swift         |
|       | Grafting and Socket Preservation  | Dr. Swift         |
| 12:00 | Luncheon (included)   |                   |
| 1:00  | <b>Implant Therapy- U of M Outcomes</b>   | Dr. Olin          |
| 2:15  | Refreshment break   |                   |

Workshop: 4<sup>th</sup> floor laboratory

- |      |  |                   |
|------|--|-------------------|
| 2:30 | <b>Surgical &amp; Restorative Techniques</b>   | Drs. Swift & Olin |
|      | <ul style="list-style-type: none"><li>• impressioning</li><li>• placement of implants in artificial jaws</li></ul> |                   |
| 5:00 | Adjourn  |                   |

*Saturday, April 19, 2008*

6-410 Moos HS Tower

- |       |   |                   |
|-------|---|-------------------|
| 8:00  | Presentations by course participants (patients treated in practice) | Drs. Swift & Olin |
| 10:00 | Refreshment break   |                   |
| 10:15 | Presentations by course participants (continued)                    | Drs. Swift & Olin |

|       |   |                   |
|-------|---|-------------------|
| 12:00 | Luncheon (included)                                 |                   |
| 1:00  | Presentations (continued)                           | Drs. Olin & Swift |
| 3:00  | Refreshment break                                   |                   |
| 3:15  | Presentations (continued)                           | Drs. Olin & Swift |
| 4:30  | <i>Questions &amp; Answers &amp; Course Wrap-up</i> | Drs. Olin & Swift |
| 5:00  | Adjourn   |                   |

**Sunday, April 20, 2008**

**6-410 Moos HS Tower**

|             |  |                      |
|-------------|--|----------------------|
| 8:00        | Restorative Considerations for Implant Esthetics   | Dr. Edwin McGlumphy  |
|             | <ul style="list-style-type: none"> <li>• implant controversies and decision making</li> <li>• implant placement and esthetics</li> <li>• single tooth implant restorations</li> </ul>  |                      |
| 10:00       | Refreshment break  |                      |
| 10:15       | Restorative Considerations for Implant Esthetics (continued)   |                      |
| 11:45       | <i>Question &amp; Answer Session</i>   | Dr. McGlumphy        |
| 12:00       | Luncheon (included)  |                      |
| 1:00        | <ul style="list-style-type: none"> <li>• implant biomechanics</li> <li>• strategies for long term success and trouble shooting</li> <li>• treatment planning alternatives for the partially and completely edentulous patient</li> </ul> |                      |
| <b>3:00</b> | <b>Refreshment break</b>   |                      |
| <b>3:15</b> | <b>Restorative Considerations for Implant Esthetics (continued)</b>  | Dr. McGlumphy        |
|             | <i>Questions and answers</i>   | <b>Dr. McGlumphy</b> |
| 5:00        | Adjourn  |                      |

**SPEAKERS**

**Edwin A. McGlumphy**, D.D.S., M.S., Associate Professor, Restorative and Prosthetic Dentistry, The Ohio State University College of Dentistry. As a full time prosthodontic faculty member, Dr. McGlumphy is responsible for all aspects of predoctoral and postdoctoral dental implant education at The Ohio State University College of Dentistry. He has also served as principal investigator for multiple studies on implant component properties and implant clinical trials. This work has led to over 30 publications and \$3.5 million in extramural funding. He has been a reviewer for the *Journal of Prosthetic Dentistry* and the *Journal of Oral and Maxillofacial Implants*. Dr. McGlumphy has a private practice limited to implant prosthodontics and lectures internationally in the field of implant dentistry.

He has served as a consultant and/or has received research support from Nobel Biocare, 3i Implant Innovations, Stryker, Astra Tech, and Zimmer Dental.

**Paul S. Olin**, D.D.S., M.S., Associate Professor, Division of Prosthodontics, Department of Restorative Sciences; Director, Dental Implant Program; formerly Associate Dean of Clinical Systems, University of Minnesota School of Dentistry. Dr. Olin also maintains an active prosthodontic and esthetic dentistry practice. He has received grant support from Lifecore Biomedical, IMTEC and serves as a consultant to 3i Implant Innovations, Inc. Dr. Olin is the Director of the Postgraduate Programs in Esthetic Dentistry: Levels I-II at the University of Minnesota. *This course is under the direction of Dr. Olin.*

**James Q. Swift**, D.D.S., Professor and Director, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry; Diplomate, American Board of Oral and Maxillofacial Surgery. Dr. Swift has received grant support Lifecore Biomedical, IMTEC and serves as a consultant to 3i Implant Innovations, Inc.
