GUEST SPEAKER

John Graeber, D.M.D., M.A.G.D., F.I. C.D., Certified Laser Educator; full-time general and cosmetic practitioner in East Hanover, New Jersey with over 17 years of private practice experience with lasers in dentistry. Dr. Graeber is recognized nationally for his expertise in high-tech dentistry and is the Laser Section Editor for the *Yearbook of Dentistry*. He has written several articles on the subject of high-tech dentistry and has provided lecture and hands-on laser courses for many dental schools as well as for the major national meetings. Dr. Graeber currently is a consultant for Ivoclar and has received honoraria for past presentations from Hoya, Ivoclar, Velopex and Biolase.

This program is funded in part by an unrestricted educational grant from
Ivoclar Vivadent
